Parent / Carer
Epworth Primary Children

Dear Parent / Carer

Nut Allergy

Please may we ask for your co-operation in a very important matter.

We have a number of children who attend Epworth Primary Academy who have a **very severe nut allergy** (Peanuts/hazelnuts/almond). As the allergy is from ingestion, touch and through possible nut dust (particles in the air), we would like to remind parents that we need to enforce a total ban of all nuts!

We are therefore asking that you be particularly vigilant when sending your child into school with their packed lunch and snacks. Please check all ingredients extremely carefully to ensure there are no form of nuts whatsoever in the food that you are sending. ***If any items are found which contain nuts, these will be removed from the child immediately and will be returned to them at the end of the day.***

Your child is **not** at any risk whatsoever from this situation. However, the health and wellbeing of our pupils who are at risk, does depend on your co-operation.

Yours faithfully

A handwritten signature in black ink, appearing to be 'S Woolley', written over a light blue grid background.

Mr S Woolley
Principal
