Willow Class – PE Change of Days

Willow class will be doing PE on a Monday and Tuesday from next week (27th April 2026).

Wednesday 29th April 2026 – Year 4 Residential

The children in Year 4 will be attending their residential at the Bushcraft Centre.

School Car Park / Entrance

A reminder that the only cars that should be in the car park are those who have made prior arrangements to do so. You will not be able to use the car park to turn around or nip in if you are late. **Could we also remind parents that the speed limit is 5mph for the safety of our staff and children, if this is not adhered to, we will ban individuals from entering the car park.**

Please remember that Birchfield Road is busy at drop off and pick up times and should not have cars parked on it either – please observe the road markings in place.

General News

Please read this very important information)

We have a number of children in school who have very severe nut **allergy's** (peanuts/hazelnuts/almond). As their allergy is from ingestion and touch we **endeavor** to remove all nuts in school. To support the health and wellbeing of all children, please do not allow your child to bring any nut based products in to school. Thank you for your co-operation in this very serious matter.

2025 / 2026 Term Dates and Upcoming Events

Please visit the Epworth Primary Academy website for future term dates. www.epworthprimaryacademy.co.uk

School Car Park / Entrance

A reminder that the only cars that should be in the car park are those who have made prior arrangements to do so. You will not be able to use the car park to turn around or nip in if you are late. **Could we also remind parents that the speed limit is 5mph for the safety of our staff and children, if this is not adhered to, we will ban individuals from entering the car park.**

Please remember that Birchfield Road is busy at drop off and pick up times and should not have cars parked on it either – please observe the road markings in place.

Lost Property

Lost property in school is building up and we are being asked to look for lost jumpers and cardigans – could we please ask that you put names in the school uniform. This will help with returning to the owner.

Attendance and Late Notification

Weekly updates on your child(ren's) attendance will be sent out at the beginning of the week via email.

Holidays During Term Time

Please be reminded that amendments to the 2006 regulations **removed references to a family holiday and extended leave of 10 days**. The position is now that there is no entitlement to remove children from school during term time to take a holiday.

Unauthorised absences can lead to penalty notices and in some cases prosecution.

Please be aware that if you have received a penalty and continue to remove your child from school for a holiday every year, this can lead to prosecution. The Education Welfare team are monitoring unauthorised absences closely, especially those children who have received a penalty in previous years.

Reporting Children Absent

Please call the main reception on 01427 872345 option one by 9.30am each day to report a child absent in the event of illness only. Please be reminded that if your child has a sickness bug, they need to remain at home for 48 hours.

NB: Welfare checks will be carried out if absence persists especially around end/beginning of term and weekends.

Medical Appointments in School Time

Medical appointments in school time need to be confirmed via the school office with proof of the appointment either face to face or by sending a copy of the appointment to the school office. If we do not receive proof, the attendance will be recorded as unauthorised absence.

Dogs on the School Premises

No dogs are not permitted on the school grounds at any time. Thank you for your co-operation.

Achievements Outside of School

If your child(ren) have been rewarded for any achievement outside of school, please inform the school office to enable Mr Woolley to recognise this in our "Celebration Assembly" on a Friday afternoon. (Tel 01427 872345 / Email admin@epworthprimary-iet.co.uk).

Defibrillator In School

We are pleased to advise we now have a defibrillator in school – this can be used by the public during school hours if required.

LET'S TALK

Monthly online webinar for
parents and carers

Join other parents and carers and the Local SEND Partnership to talk, share, and help shape SEND support in North Lincolnshire.

Let's Talk is a friendly space for families to share what's working, what's not, and what matters most. Together, we will coproduce plans for the future and make sure the Local Offer is right for families and supports children and young people to achieve their best outcomes.

Through our monthly webinars, we will:

- Work together to shape future SEND plans
- Share important information and updates
- Talk about how national guidance affects local SEND support
- Identify challenges and what needs to improve
- Give families the chance to ask questions and be heard
